

TROPICAL COAST BUILDERS PTY. LTD.

- Tropical Coast Builders is a member of the T.C. Group of companies based in Mission Beach in Far North Queensland. Servicing the entire North Queensland region, we have an excellent reputation for project management and superior quality finish.

- We specialise in highly complex commercial builds, asbestos removal and demolition projects for both the public and private sector.
 - As a PQC level 2 rated company, we work extensively on Government projects such as the Federal 2010 ‘Building the Education Revolution’ program.
 - Our expertise in environmental, remote and tropical build design and construction make us the ideal partner of choice within Queensland.
 - Access to our own retail plant hire, building supplies and raw material companies ensures consistency and reliability of service.

- Managing Director, Chris Watt, has been operational in this industry for many years and demands an exceptional attention to detail.

Past Projects:

- mission@mission: winner of 2010 Queensland Master Builders Association award for medium rise multi-residential housing over \$4 million
- Kareeya Hydro Power Station refurbishment
- Numerous industrial and agricultural sheds
- Cardwell library
- Tully public pool renovation
- Mission Beach, Tully and Cardwell skate parks
- Blencoe Falls and Mena Creek viewing platforms
- Specialist asbestos removal and demolition projects
