If you dream of a romantic picnic on a deserted tropical island, Mission Beach Charters can make it happen.

Locally owned and operated, our eco-adventure company specifically caters to small groups, families or couples wishing to have a completely personalised experience within the idyllic surrounds of the marine park.

We mainly service the waters off the coast of Mission Beach, encompassing the Family Group of islands, (including Dunk Island), the Barnard Group of islands to the north, the local reef systems to the east, and the local river and estuarine systems both to the north and south of Mission Beach.

Jason Shearer, your knowledgeable skipper, grew up in Mission Beach, where he started his maritime career over 20 years ago. He and his partner Bec live locally, and would love to show you some of the area's tropical beauty.

When cruising in the marine park, you'll often see some of the abundant aquatic and bird life such as sea turtles, dugongs, sea eagles, and the annual migrating whales.

Experience the pristine waters in a 6 metre custom built Stabicraft. Our vessel "Brahminy" can be modified to suit any weather conditions to ensure you always have a pleasant comfortable trip.

We are very flexible with our range of tours and activities, so we can incorporate as much or as little as you desire, in the time you have with us.

Activities available are snorkelling, swimming, picnicking, camping, fishing and sightseeing.

All you need to bring is a hat, sunscreen, swimming costume, towel, camera and a smile!

ISLAND CAMPING

Several tropical islands off the coast of Mission Beach have designated camping grounds. The Department of Environment and Resource Management (DERM) maintain most of them for all to enjoy.

Refer to map for camping grounds (blue dots).

Numbers of campers are limited on each island, and permits are required. We are an official booking agent for all Queensland National Parks, so let us organise necessary permits for you to secure your stay.

DERM fees are \$5 pp per night, or \$20 per family (2Ad + 3Ch) per night, (subject to change).

CAMPING EQUIPMENT HIRE

Mission Beach Charters have a range of equipment for hire that won't break your budget.

Tents, mattresses, sleeping bags, cooking equipment & utensils, toilet/shower cubicles, porta potties, chairs, eskies, even 3m x 3m gazebos are available, plus much more.....

We offer package deals which include transfers and permits, and also discounts for multiple daily hire.

Call us and discuss how we can make your camping experience memorable!
