YOUR GLOVEBOX RESCUE KIT

Proudly supported by: **MISSION BEACH OPTOMETRISTS**

We share your vision for our environment

07 4088 6700

We are a non-profit organisation, who takes all wildlife into care when required for various reasons, such as orphaned, injured or just misplaced and return them to health and back into the wild.

We are all Volunteers and your assistance is greatly appreciated.

For all wildlife emergencies, please call one of the Volunteers on the reverse of this flyer.

*"If you're always there for others,
then in time of need, someone
will be there for you."*

Thank you for being a part of wonderful things happening for our wildlife – why not join us?

Wildlife Care and Rescue is a Non Profit Charity and all donations are tax deductible.
